

A blurred, perspective view of a long warehouse aisle with high industrial shelving units on both sides, filled with cardboard boxes. The floor is a light-colored concrete, and the perspective leads the eye towards a bright light at the end of the aisle.

2026 Company Overview

Who are we?

Employee-Owned 3PL for Warehousing,
Fulfillment & Transportation

We develop, implement, and manage tailored, outsourced supply chain solutions, built for accuracy, visibility, and on-time performance across CA + PA.

Our ESOP culture keeps us accountable to Do It Right® on every order.

Partnership

We align to your goals and design fit-for-purpose operations.

Stewardship

We treat every product and order as our own.

Ownership

ESOP accountability, consistent quality you can measure.

Industries We Serve

Tailored warehousing and fulfillment for regulated consumer and industrial supply chains. From food-grade handling to Non Hazardous chemical storage, our ESOP team delivers accuracy, compliance, and coast-to-coast reach with real-time visibility and **EDI/API** connectivity.

Multi-Client Warehousing

Multi-client warehousing delivers high return at low risk. You pay for logistics services as you need them, sharing labor and other overhead costs with other clients, all with a minimal time commitment.

- *Variable billing with scalable space/labor; rapid onboarding*
- *WMS with RF + EDI/API integrations for live inventory control*
- *Pick/pack/ship, kitting/labeling, cross-dock—Food & Beverage, Consumer Goods, and Non Hazardous industrial products*

Multi-client Warehouses

Elastic capacity across Visalia (Central Valley), Los Angeles, and Harrisburg, so you pay only for what you use. Shared space and labor keep costs variable while our ESOP-driven teams deliver accurate fulfillment, real-time visibility, and EHS³ safeguards to protect your brand coast-to-coast.

Visalia, CA (K2)	160,000 Sq. Ft.	20 Dock Doors
-------------------------	---------------------------	-------------------------

Visalia, CA (N.Plaza)	175,000 Sq. Ft.	20 Dock Doors
------------------------------	---------------------------	-------------------------

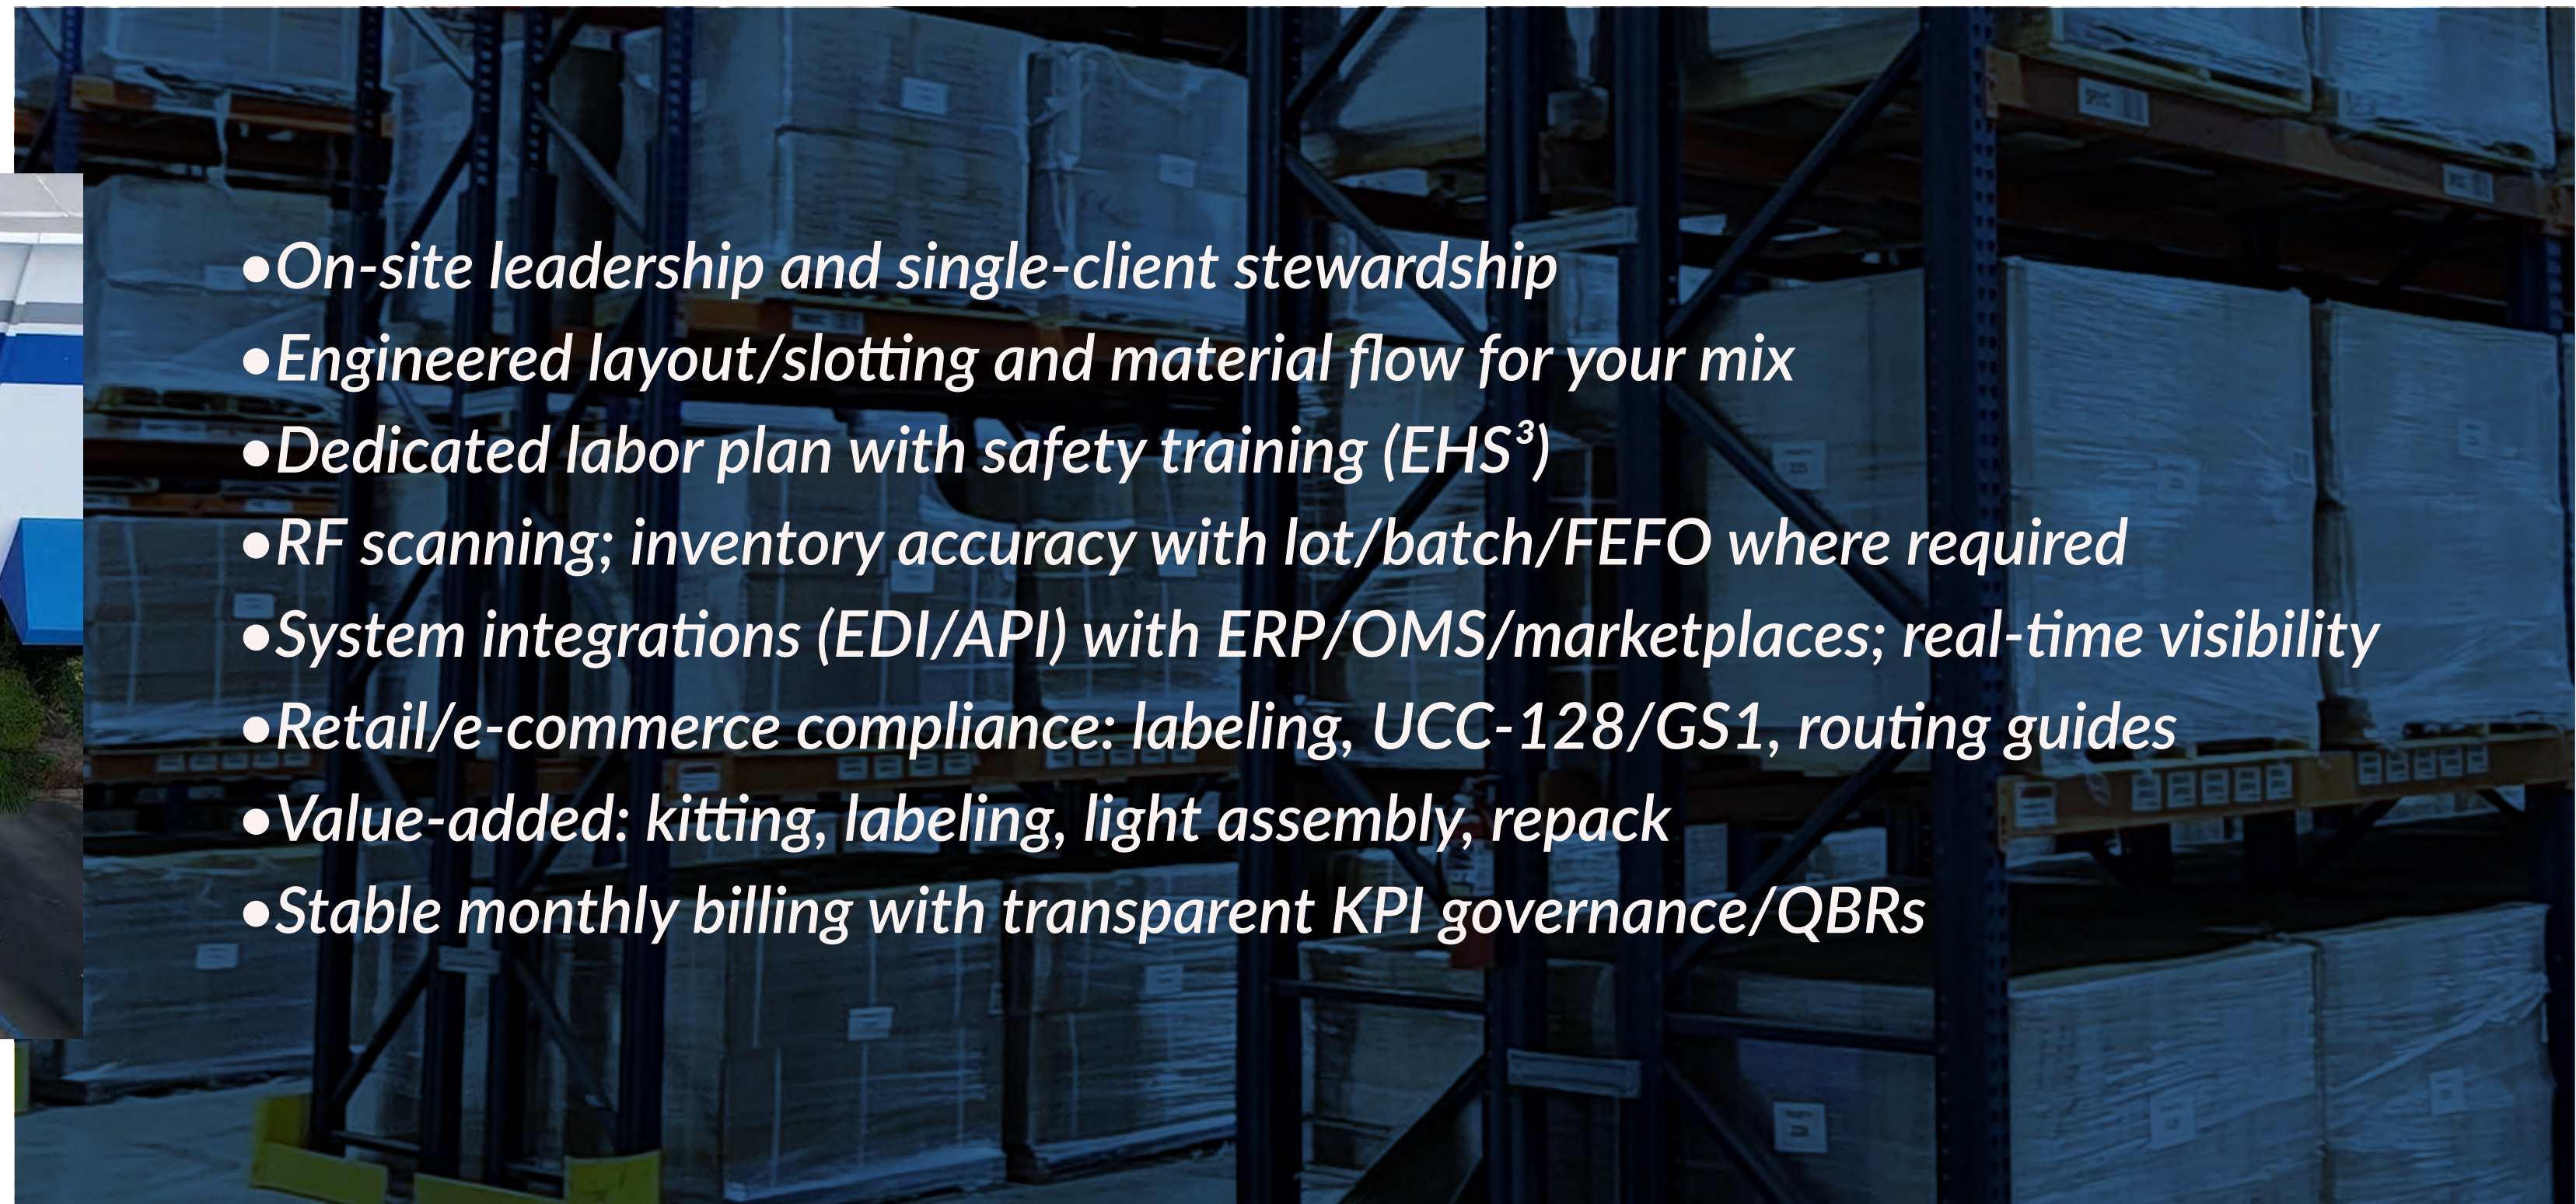

Los Angeles	254,000 Sq. Ft.	20 Dock Doors
--------------------	---------------------------	-------------------------

Harrisburg	175,000 Sq. Ft.	26 Dock Doors
-------------------	---------------------------	-------------------------

Contract Logistics

In a dedicated warehouse, 100% of site resources deploy to one client. Given the right service needs and requirements, advantages and efficiencies accrue rapidly. by our ESOP ownership culture to Do It Right®.

- On-site leadership and single-client stewardship
- Engineered layout/slotting and material flow for your mix
- Dedicated labor plan with safety training (EHS³)
- RF scanning; inventory accuracy with lot/batch/FEFO where required
- System integrations (EDI/API) with ERP/OMS/marketplaces; real-time visibility
- Retail/e-commerce compliance: labeling, UCC-128/GS1, routing guides
- Value-added: kitting, labeling, light assembly, repack
- Stable monthly billing with transparent KPI governance/QBRs

Dedicated Warehouses

Exclusive, single-client operations where 100% of site resources are engineered around your SOPs and volume, driving faster ramps and tighter control. Inland Star stands up turnkey programs design, staffing, systems, KPIs with predictable monthly billing and custom rate structures, all under our EHS³ protection. Backed by our ESOP culture, you get owners on the floor focused on accuracy, safety, and continuous improvement.
